UNE HISTOIRE DE FAMILLE FAMILY VALUES

1947

1970

UNE HISTOIRE DE FAMILLE DEPUIS 3 GÉNÉRATIONS A FAMILY STORY FOR 3 GENERATIONS!

Falk tient son origine de Falquet, nom de famille de Maurice Falquet, fondateur de la marque Falk Toys en 1947.

Son neveu Didier Sogno le rejoindra en 1970 comme directeur commercial et prendra sa succession en 2002 avec pour mission de développer la présence de Falk à l'international. Le fils de Didier Sogno, Yvain intègre quant à lui l'entreprise en 2007 pour en prendre finalement la direction en 2014. Il modernisera et rationalisera l'outil de production comme la gamme de produits en développant le partenariat avec les fabricants de véhicules !

Falk's origins lie in Falquet, the family name of Maurice Falquet, founder of the Falk Toys brand in 1947.

His nephew Didier Sogno joined him in 1970 as commercial director and took over in 2002 with the mission of developing Falk's presence internationally. Didier Sogno son, Yvain integrated into the company in 2007 to finally take the lead in 2014. It will modernize and streamline the production tool as the product range by developing the partnership with vehicle manufacturers !

L'AVVENTURE FALK EN 1 MINUTE CHRONO !

FALK'S HISTORY
IN NO LONGER THAN 1 MINUTE !

1947

L'histoire des jouets Falk, commence en 1947 avec la fabrication de divers jouets en plastique.

The story of Falk toys, begins in 1947 by manufacturing various plastic toys.

1970

Falk sort son premier tracteur à pédales.
Falk launched its first pedal tractor.

1977

Falk développe son offre licence : Ford, Massey Ferguson et Renault avec son Turbo TX vendu à plus de 750 000 exemplaires !
Falk increased its licensed offer : Ford, Massey Ferguson and Renault with 750 000 units of the Renault Turbo TX sold !

2002

Falk est maintenant distribué dans plus de 40 pays !
Falk is now distributed across more than 40 countries !

2007

De nouveaux outils de fabrication pour de nouveaux horizons.
New manufacturing tools to open up new horizons.

2017

Falk se tourne vers le futur en réinventant son image et sa gamme de produits.
Falk is looking towards the future by reinventing its image and products range.

Yvain Sogno | Fils de Didier Sogno
Didier Sogno's son

2007

Depuis ses origines Falk relève le défi d'imaginer, concevoir et fabriquer ses jouets en France et plus particulièrement dans nos ateliers situés à Oyonnax en région Rhône-Alpes. Aujourd'hui, rien n'a changé : la même passion nous anime et nous pousse à nous réinventer tout en conservant l'héritage et le savoir-faire accumulé depuis 1947 !

Since its beginning, Falk has taken up the challenge of imagining, designing and manufacturing its toys in France and more particularly in our factory located in Oyonnax in the Rhône-Alpes region.

Today, nothing has changed: the same passion drives us to reinvent ourselves while preserving the heritage and know-how acquired since 1947!

AU PLUS PROCHE DE NOS PARTENAIRES AS CLOSE AS POSSIBLE TO OUR PARTNERS

+ DE 50% DU PRIX DE REVIENT DE NOS PRODUITS EST
RÉALISÉ DANS UN RAYON INFÉRIEUR À 50KM

Falk arbore fièrement le label Origin'Ain, concrétisation d'une démarche de proximité initiée il y a plus de 70 ans !

Afin de dynamiser l'activité économique Falk favorise autant que possible la collaboration avec des partenaires locaux avec pour effet vertueux de diminuer le bilan carbone de nos produits.

MORE THAN 50% OF THE COST PRICE OF OUR PRODUCTS
IS MADE WITHIN A RADIUS OF LESS THAN 50KM

Falk proudly displays the Origin'Ain label, the result of a local approach initiated over 70 years ago! In order to stimulate economic activity, Falk favors as much as possible the collaboration with local partners with the virtuous effect of reducing the carbon footprint of our products.

MIEUX GRANDIR GROWING UP BETTER

FALK ACCOMPAGNE
VOTRE ENFANT DANS LE DÉ-
VELOPPEMENT DE SES NOU-
VELLES CAPACITÉS TOUT EN
S'AMUSANT !

FALK SUPPORTS YOUR CHILD IN DE-
VELOPING HIS NEW ABILITIES WHILE
HAVING FUN!

Au cours de ses 3 premières années, l'enfant va développer ses capacités psychomotrices. Marcher, courir, pousser, pédaler sont des activités qui vont permettre à votre enfant de développer sa motricité globale, pré-requis fondamental pour le développement de la psychomotricité fine et plus tard pour l'apprentissage scolaire.

During their first 3 years, children will develop their psychomotor abilities. Walking, running, pushing, pedalling are activities that will allow your child to develop his gross motor skills, a stepping stone for the development of fine psychomotricity and later for learning at school.

DES VÉHICULES COMME LES VRAIS POUR SE METTRE EN SCÈNE DANS LE MONDE DES GRANDS !

Progressivement, imiter permet à votre enfant de reproduire ce qu'il voit, développer sa capacité à symboliser et s'incarner dans une représentation sociale.
Faire comme les grands pour devenir grand.

VEHICLES LIKE THE REAL ONES TO TAKE STEPS IN THE ADULTS WORLD !

*Gradually, role play allows your child to reproduce what they see, develop their ability to symbolize and incarnate in a social representation.
Do as «the older ones» do, to grow up.*

DES VÉHICULES SANS BATTERIES, POUR LA PLA- NÈTE ET LEUR SANTÉ.

Un choix éthique, pour leur santé, parce que nous pensons que l'enfance est faite pour se dépenser, courir, pédaler, sauter dans les flaques, se salir et se construire des souvenirs impérissables en étant acteur de son propre jeu.

Un choix pour la planète également, car la nature est un terrain de jeu magnifique, autant la préserver en limitant notre impact écologique. Pour toutes ces raisons, nous avons fait le choix de ne pas avoir recours à l'usage de batteries pour nos jouets.

VEHICLES WITHOUT BATTERIES, FOR THE PLANET AND THEIR HEALTH..

*An ethical choice, for children's health, because we believe that childhood is made for being active, running, pedalling, jumping in puddles and getting dirty so that children build lifelong memories whilst playing.
A choice for the planet too, as nature is a magnificent playground, which we can help to preserve by limiting our environmental impact. For all these reasons, we have chosen not to use any batteries in our toys.*

MIEUX GRANDIR AVEC FALK GRÂCE AU JEU ACTIF GROWING UP BETTER WITH FALK THANKS TO ACTIVE PLAYING

No batteries

ON RECYCLE !
WE RECYCLE !

30 % DU PLASTIQUE QUE NOUS UTILISONS EST ISSU DU RECYCLAGE !

30 % OF THE PLASTIC WE USE COMES FROM RECYCLING !

EN TANT QUE FABRICANT DE JOUETS ET PARENTS,
NOUS AGISSENT POUR L'AVENIR DE NOS ENFANTS.

C'est pourquoi, Falk s'est engagé dans une démarche d'amélioration continue en intégrant de plus en plus de matériaux recyclés dans ses jouets! Aujourd'hui, nous sommes fiers d'annoncer que 30% du plastique contenu dans nos produits est issu du recyclage !

AS TOY MANUFACTURERS AND PARENTS, IT IS OUR
RESPONSIBILITY TO ACT FOR THE FUTURE OF OUR
CHILDREN.

That's why Falk is committed to continuous improvement by integrating more and more recycled materials in its toys!

Today, we are proud to announce that up to 30% of the plastic we use in our products range comes from recycling!

REUTILISATION EN INTERNE ! INTERNAL RE-USE !

RIEN NE SE PERD, TOUT SE TRANSFORME !

Nos rebuts sont broyés en paillettes. Cette matière, réutilisée en interne, conserve toutes ses propriétés techniques et peut ensuite être réutilisée dans notre circuit de production.

NOTHING IS WASTED, EVERYTHING IS RE-USED !

Our scraps are crushed into flakes. This material, re-used internally, keeps all of its technical properties and can then be reused in our production circuit.

DU CARTON RECYCLÉ POUR NOS PACKAGINGS RECYCLED CARDBOARD FOR OUR PACKAGING!

AUJOURD'HUI RECYCLÉS À 70% ... ET DEMAIN À 100% ? C'EST NOTRE OBJECTIF !

Si nos jouets contiennent une part importante de matière recyclée, nos packagings ne sont pas en reste en étant recyclés jusqu'à 70%.

Mais nous allons encore plus loin, en réduisant nos emballages d'au moins 30%. Ainsi nous réduisons d'autant notre consommation de carton !

TODAY 70% RECYCLED ... AND TOMORROW 100%? THAT'S OUR GOAL!

If our toys contain an important part of recycled material, our packaging is also recycled up to 70%. But we go even further, by reducing our packaging by at least 30%. This way we reduce our cardboard consumption by the same amount!

OPTIMISER LES FLUX LOGISTIQUES OPTIMIZE LOGISTICS FLOWS

OPTIMISATION DES CHARGEMENTS OPTIMISATION OF TRUCK'S LOADING

FAIRE DE L'ENVIRONNEMENT UN ENJEU COMMUN ENTRE NOUS ET NOS CLIENTS

En optimisant le chargement de nos camions et en travaillant ensemble sur la révision des hauteurs de palettisation nous pourrions réduire considérablement le nombre de camions sur la route et limiter nos émissions de gaz à effet de serre.

Ensemble, travaillons main dans la main pour mettre en place des actions vertueuses pour l'environnement.

MAKING THE ENVIRONMENT A COMMON ISSUE BETWEEN US AND OUR CUSTOMERS

By optimizing the loading of our trucks and by working together on the revision of our palletization heights we could considerably reduce the number of trucks on the road and limit our greenhouse gas emissions.

Together, let's work hand in hand to implement virtuous actions for the environment.

RÉDUIRE NOS PACKAGINGS REDUCE OUR PACKAGING

NOUS TRAVAILLONS CONSTAMMENT À RÉDUIRE NOTRE IMPACT ENVIRONNEMENTAL, DE LA FABRICATION À LA LIVRAISON.

Depuis plusieurs années, nous menons une grande campagne pour réduire nos emballages sans réduire la taille de nos jouets. Petit à petit, le volume de nos cartons a été réduit de 30%, ce qui nous permet de diminuer drastiquement le nombre de camions sur les routes et donc de limiter nos émissions de CO2.

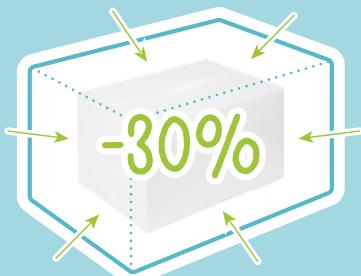

WE ARE CONSTANTLY WORKING TO REDUCE OUR ENVIRONMENTAL IMPACT, FROM MANUFACTURING TO DELIVERING.

For several years now, we have been conducting a major campaign to reduce our packaging without reducing the size of our toys. Step by step, the volume of our cartons has been reduced by 30%, allowing us to drastically reduce the number of trucks on the road and thus limit our CO2 emissions.

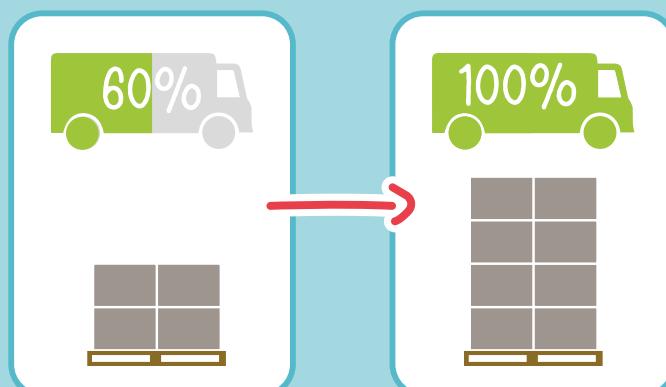

BAISSE DES ÉMISSIONS DE GAZ À EFFET DE SERRE LOWER GREENHOUSE GAS EMISSIONS

OPTIMISATION DES HAUTEURS DE PALETTES OPTIMIZATION OF PALLET HEIGHTS

-30%

CYCLE DE VIE LIFESPAN

C'EST DU COSTAUD ! SUPER STURDY !

QUI A DIT QU'UN JOUET EN PLASTIQUE NE POUVAIT PAS DURER ? EN TOUT CAS PAS NOUS !

Avec plus de 70 ans de savoir-faire, nous avons construit une partie de notre notoriété sur notre capacité à fabriquer des jouets à l'épreuve d'une utilisation intensive, par tous les temps et par les enfants les plus intrépides !

Nos jouets accompagnent vos enfants tout au long de leur enfance et même après !

WHO SAID A PLASTIC TOY CAN'T LAST? CERTAINLY NOT US!

With more than 70 years of know-how, we have built part of our reputation on our ability to make toys that can withstand intensive use, in all weathers and by the most intrepid children!

Our toys will support your children throughout their childhood and beyond!

FACILITER LE RECYCLAGE DE NOS JOUETS EASE THE RECYCLING OF OUR TOYS

FACILEMENT DÉMONTABLES, NOS JOUETS SONT CONÇUS POUR AMÉLIORER LEUR RECYCLABILITÉ

Pour rendre le recyclage de nos jouets plus aisés, nous les avons rendus facilement démontables. C'est désormais un jeu d'enfant de séparer le plastique de l'acier pour s'assurer que ces matières premières soient recyclées et ainsi minimiser l'impact écologique de votre jouet.

EASILY DISMANTLED, OUR PRODUCTS ARE DESIGNED TO IMPROVE THEIR RECYCLABILITY

To make it easier to recycle our toys, we have made them easy to disassemble. It's now a breeze to separate the plastic from the steel to ensure that these raw materials are recycled and thus minimize the ecological impact of your toy.

FAVORISER LA RÉPARABILITÉ ENCOURAGE REPARABILITY

CHEZ FALK, ON NE CONNAIT PAS L'OBSCOLESCENCE PROGRAMMÉE !

Ces dernières années, nous travaillons dur pour permettre aux parents de prolonger la durée de vie de nos jouets. Pour cela nous avons rendu facilement démontable et remontable toutes les pièces d'usures et même plus encore !

Tout est mis en oeuvre pour que le bolide favori de votre enfant ne tombe jamais en panne !

AT FALK, WE DISLIKE PLANNED OBSOLESCENCE!

Over the past few years, we have been working hard to allow parents to extend the life of our toys. To do this, we have made all the wearing parts easy to disassemble and reassemble and even more! Everything is done to ensure that your child's favourite toy never breaks down!

RÉDUIRE NOTRE
CONSOMMATION
D'ÉNERGIE
REDUCING OUR
ENERGY CONSUMPTION

INVESTIR POUR LES GÉNÉRATIONS FUTURES INVESTING FOR FUTURE GENERATIONS

RÉDUCTION DE NOTRE CONSOMMATION D'ÉNERGIE D'AU MOINS 50 %

Depuis 2019 Falk s'est engagé dans une transition énergétique avec pour résultat une réduction de notre consommation d'énergie d'au moins 50 %. Pour cela, nous renouvelons notre outil de production par de nouvelles technologies à faible consommation électrique.

REDUCING OUR ENERGY CONSUMPTION BY AT LEAST 50%

Since 2019, Falk is committed to an energy transition with the result of reducing our energy consumption by at least 50%. To achieve this, we are renewing our production equipment with new low power consumption technologies.

LE SAIS-TU? DO YOU KNOW?

Entre 1 et 3 ans, le développement de la motricité globale (marcher, s'asseoir, ramper) aide au développement de la motricité fine (manipulation précise des objets).

Between 1 and 3 years, the development of gross motor skills (walking, sitting, crawling) helps develop fine motoring skills (precise manipulation of objects).
